H. B. SPECIAL SEED GROWS STRAIGHT

QUICK AND STRAIGHT GROWTH

Our H. B. Special Strain of Scotch Pine Seed has proven its superiority in comparison with Finnish and Riga Strains. It grows faster and is as straight as can be.

The seed is all hand picked from marked proven trees in a virgin Scotch Pine Forest. You can, therefore, depend on it to produce uniform sturdy specimens.

The supply of seed is limited to these marked trees. We sell it only in sealed bags of $\frac{1}{2}$ lb. — 1 lb. — 5 lbs. at \$5. per lb., f.o.b. New York. It is wise to order promptly.

HERBST BROTHERS, 92 Warren St., New York.
